**THANK YOU,
THANK YOU, LORD**
By Margo B. Smith

Chorus
*Thank You, Lord
Thank You
For Your love
Thank You,
Thank You, Lord
For everything
You've done*

Verse 1
Thank You for the
blue skies and all the
sunny days
Thank You for the
gray clouds that
shower us with rain
For all the birds that
flap their wings and
sing their pretty
songs
And all the frogs that
croak a tune while
they hop along

Chorus

Verse 2
Thank You for the
soft green grass I
squish between my
toes

Thank You for the
stars at night I wish
that I could hold
For colored flowers
that make me smile,
mmmm, they smell
so sweet
And all the crops the
farmers plant for
everyone to eat

Chorus

Bridge
I can see that You
are great from all the
things You've made
I am grateful for my
life every day

Chorus (2x)
